

# The endoscopy over primes

Ihsan Raja Muda Nasution

November 5, 2015

## Abstract

In this paper, we analyze the behavior of prime numbers.

MSC: 11A41

Keywords: prime numbers, distribution of primes

## 1 Introduction and results

In 1859, Riemann [Rie59] computed the distribution of primes. Our mission is to axiomatize the structure of primes. We have three postulates.

**Postulate 1.** 2 is prime.

**Postulate 2.** All primes are divisible.

**Postulate 3.** Primes generate primes.
